

SOFTBALLREBELLION

Indoor *HitTrax*™ Tournament

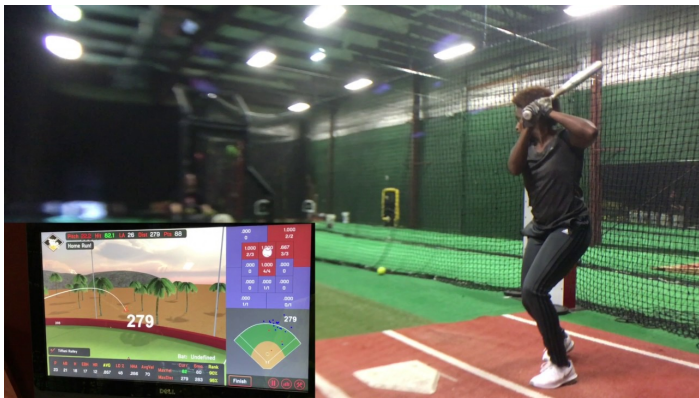

March 3rd, 2018 | Guaranteed 3 Games | \$99 per Team*

Softball Rebellion will be hosting an indoor softball HitTrax tournament on March 3rd for ages 13-16 years old. Games will be 6 innings long with two teams of 4-6 players each.

Softball Rebellion instructors will handle the throwing to provide consistency for all teams. Each game, players should expect to get 6-8 ABs while not having to field or run the bases. It is a great opportunity for teams to work on their hitting in a competitive environment!

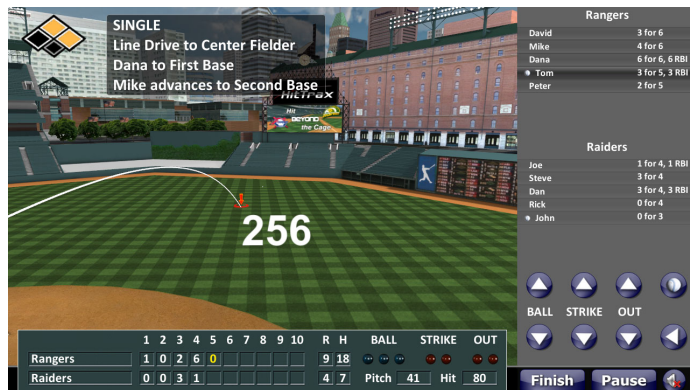

HitTrax

HitTrax transform the hitting cage into a live game situation. Everything during the game is tracked. The HitTrax gaming module calls balls & strikes, turns rally-killing double plays, and scores the winning run on a sacrifice fly.
